NARROW ESCAPE CHASING BALL

John Petona of Mingo Stop had a narrow escape from death under the wheels of a street car of the Pittsburgh Railways company at 3 o'clock Tuesday afternoon when the boy ran on the tracks in front of the car.

The boy was struck by the front of the car and hurled several feet to the side of the track. The car crew expecting to find the lifeless remains of the boy returned and discovered him very much alive. He was placed in the car and rushed to the Memorial hospital where after 12 stitches had been inserted in the gaping wound he was able to go home. He is greatly improved today.

The boy was chasing a ball which had bounded across the tracks. Young Petona seems to have a charmed life Two years ago "on a dare" he attefpted to hop aboard a speeding freight train and was hurled to the ground sustaining several broken ribs. A year ago the lad was doing some amateur coal mining at a small pit when a fall of slate buried him completely. Eleven miners worked frantically expecting to find him dead. He had crawled under a ledge just before the fall and escaped unhurt.

This, according to her husband dev C. V. Sheatsley is the solution of the now famous furnace mystery, which came into being last Monday night when the pastor found his wife's remains sizzling in the furnace fire box.

HOW THEY TELL THE BABIES

Pittsburgh, Nov. 20. — All babies look alike directly after they are born and there has always been some mystery as to how they are identified should, for example, four or five newly born babies be placed in cribs alongside each other, as is often the case.

The Pittsburgh hospital explains, in a recent bulletin, how the newly born babies are identified. Blue beads on which is stamped the babies' name are placed on the wrists, while a more complicated method is to take finger and sole prints.

BOYS WANTED ARE CAPTURED

Chief of Police James A. Murphy is in receipt of a letter from the authorities at Morgan a to the effect that Charles Peters of this place, and John Harvey Brown, the latter-named a colored boy, who escaped from Morganza, had been picked up by the Morganza authorities three miles from that place. Chief Murphy does not know whether the owner or some other person was driving the car, but the owner has been notified, and will probably be haled before the burgess to answer to a charge of reckless driving.

FIRE REVEALS LIQUOR STILL

Fate joined with the Federal prohibition agents and the state police yesterday in "cleaning up" McKees Rocks.

The explosion of a still in a house in Olivia street, police say, exposed an alleged moonshine joint and started a fire which caused $1,500 damage to the house.

As a result, two men were held for court under $1,000 bail each last night, and a third was fined $50 with the option of spending the next 60 days in the workhouse.

Motorcycle Patrolman Nathan Doyle, under charges of releasing a Federal prisoner caught in a raid on a car of beer two weeks ago, was the principal witness against the prisoners at their hearing before Justice of the Peace Frank A. Blatz at McKees Rocks.

The men held for court were Martin Smetanko, who lived in the Olivia street house, and Nock Zaraszak, of O. K. way, McKees Rocks. The third prisoner was John Wojziechowski, who lives near the burned house. He was fined on a suspicious person charge. It was alleged that he took a five-gallon jug of the moonshine from the burning building.

Patrolman Doyle heard the explosion and turned in the fire alarm. The police allege that the still exploded

UNCLE SAM TO GET AFTER TAX DODGERS

Washington, Nov. 20—A nation-wide drive against tax dodgers is about to be started by the government, it was learned at the Internal Revenue Bureau today.

Warrants of distraint, attaching the property of tax delinquents are being prepared and will be issued about December 1. The government hopes to secure millions of dollars in back taxes by the drastic move.

Commissioner of Internal Revenue Blair's recent action in restricting the amount of time allowed for inspection of 1923 tax payment lists was the first step toward getting the drive under way.

These lists are used in preparing cases and putting the warrants in shape for issuance. With only 10 days to get everything set for the drive, Blair ordered the inspection of the lists restricted so that collectors would not be hampered in their preparations.

Loaned Girl Diamond Ring; Donora Swain Sues To Recover

It is risky business to lend diamond rings to girls is the experience of John Clements, a Donora young man. Clement and Bertha Ponta were guests at a Donora wedding on January 21 of this year. Clement, who was one of the gay blades at the nuptial festivities, was sporting a $250 diamond ring which was greatly admired by Bertha. She took it from his finger and placed it on one of her own. John asked it back several times but she begged to be allowed to wear it for a while longer. Finally Clement agreed to let her keep it for a week. At the end of the week Bertha refusel to give it up. After having exhausted all his power of persuasion to recover his property, Clement had Bertha arrested on a charge of larceny by bailee.

The case is now on trial before Judge James I. Brownson.

Court Issues Mandamus On Secretary Of Amwell School Board

In the township of Amwell dissension exists in the board of education brought about by the action of a majority of the members voting to unite with three other townships in the building of a joint high school, and yesterday a writ of mandamus was issued on A. Birdell Clemens, secretary of the organization, who refuses to sign the joint agreement, directing him to sign the document or state his reasons for refusing to do so. The writ is returnable Monday, December 1.

The petition for the writ of mandamus on Secretary Clemens was signed by F. W. Shrontz, as president of the Amwell board. Members of the board in favor of the proposition to build a joint high school at Trinity Hall along with Centre, North Franklin, and South Strabane townships, are F. W. Shrontz, president; H. E. McCollum, vice president, and G. L. Walker.

Opposed to such a step are A. Birdell Clemens, secretary, and J. L. Redd.

In the joint agreement entered into by the four townships it was decided to purchase the Trinity Hall grounds from William McK Smith of Washington, for $66,000.

A resolution was passed by the Amwell board by a vote of three to two, authorizing the president and secretary to sign the joint agreement for the purchase of the property. Secretary Clemens refused and application for the mandamus was made to force him to act as authorized by the majority of the board.

In defense of his action, Secretary Clemens yesterday said that a committee on procuring grounds for the high school had taken an option on a site for Amwell Township High school on the Sheldon Booth farm, on the Amity ridge. The tract fronts on the road beginning at the fork of the road on the Isaac Sargent farm and is close to the new state concrete road. Another proposed site for the township high school is on the T. J. [illegible] road near the Booth farm.

Secretary Clemens and Director Redd are in favor of continuing the high school now in operation in rented quarters and are favorable to a proposition to erect a suitable building on either of the two sites, both of which are near the geographical center of the township. Several lots have been sold on adjoining farms and preparations are being made to erect homes on them, they say.

EDUCATION WEEK.

This is Education Week throughout the entire country, and is being generally observed as such.

Every American should have a liberal education. Minus this essential, there is no guarantee for the permanence of free institutions, no hope of perpetuating self-government. Despotism finds its chief support in ignorance. Knowledge and freedom go hand in hand.

It is the purpose of this week to impress upon the people of the privilege, for every citizen of Charleroi to make the week all that it is portended that it should be. With so many children out of school when they should be in school, with the important work of Americanization being conducted in a haphazard manner, with radical propagandists carrying on their nefarious work both openly and secretly, with hundreds of thousands in our cities still steeped in ignorance, certainly there is need not only for one week, but there is need for every week to be devoted to the cause of education.

We boast of our educational work in this, the greatest of lands of opportunity, but isn't there room for improvement? What of our American seats of learning today? Are they teaching what they should teach—as it should be taught? Are they imparting moral instruction? Are our young people receiving wholesome instruction? Is respect for law and order being duly impressed and emphasized?

American Education Week is a good time to think of these things. We believe that the time is coming and should be here now, when the President's cabinet should have a federal department of education. Such a department is needed.

Could ye spare a copper for an aul woman, sorr?

The gentleman taking pity on her, gave her sixpence.

God bless you, sorr, said the old woman, and may every hair on yer head be a candle to light you to glory.

Taking off his hat and showing a bald head, the gentleman said dryly:

It won't be much of a torchlight procession, madam.

Committee States The Squads With Clean Records Are Eligible

The teams finishing their schedule with perfect records cannot be eliminated from consideration for the Syracuse University Cup according to a statement made by a member of the committee yesterday. To date there are six teams boasting of immaculate slates, but one of these will fall when Turtle Creek and Washington meet, Saturday. Turtle Creek, Washington, Braddock, Schenley, Norwin and Charleroi, with a possibility of New Castle being added if the Lawrence county team wins its protest on Jeannette.

[illegible] ed member of the W. P. I. A. L. from the Monongahela Valley, will take on Allan Weirman's Monongahela High team tomorrow and on Thanksgiving morning meet the Donora High eleven. Charleroi High should win both these battles, although Wierman's eleven is a strong combination and may upset the dope.

Will-Power Overworked

Not many of the really important things of life are the result of personal will power. Sickness certainly is not acquired by any exercise of the will. Loves comes phantomlike, emodonal, not by the will. Marriage occasionally is the result of will power, but usually it is following the line of least resistance toward comfort. Death comes, finally, and removes us from the stage to make room for another, even though one has a will like steel.—Exchange.

Ambiguous

On the door of a small laundry in a Massachusetts town the following notice to patrons was posted. Passersby read it and laughed, or sympathetically refrained from doing so, according to their individual natures: "Closed on account of sickness till Monday, or possibly Wednesday. I am not expected to live. Shall be unable to deliver for at least a week, in any case."—Boston Transcript.

California Normal Is To Play W. & J. Freshmen Here Saturday

LOCALS WEAKENED FOR FRIDAY'S GAME AT MONONGAHELA

When Charleroi High School lines up for the kick-off at 2:30 p. m. at Monongahela City on Friday their team will be weakened by the loss of three experienced linemen. DeHainant star center will not be in shape to play and Feehan, veteran end with Shigets are out until they get in the good graces of the faculty. While the position of center and tackle is well fortified with reserve material it may handicap smoothness of the team on the offense. The team in all probability will line up with Anthony and Shephard at ends. Loughead and Johns at tackles, Morgan and Cantoni at guards, and Wildman at center. In the backfield Captain O'Brien will be a quarterback, Crabb and Crytzer athalves and Paterline at fullback. Terbert, White, Kornhi will be held in reserve.

The team will leave the Second Street School at 1:30 p. m., and will travel to Monongahela by motor trucks. Extra trolley service will take care of students and town patrons desiring to make the trip by trolley. Cars will leave Fifth Street at 1:45 and will reach Monongahela in plenty of time for the kick-off.

The team held a spirited work out yesterday afternoon and looked good. The condition of the new field at Monongahela will have a lot to do with the final outcome of the game. The final workout will be held this afternoon.

THE FORECAST OF THE DIGEST IS NEARLY CORRECT

The forecast of the Electoral College division of votes by The Literary Digest's pre-election poll was 99 44-100 per cent. accurate, according to a comparison between its straw vote and the official returns which are published in the current issue of the magazine this week.

The Digest poll showed a total of 379 electoral votes for President Coolidge, 139 for Davis, and 13 for Senator LaFollette, whereas the election credited them with 382, 136 and 13 respectively. This makes a difference of three votes in the total of 531 which it is stated is an error of 56-100 of 1 per cent.

The Digest also notes that a comparison of the popular vote of the candidates with the unofficial referendum, shows a percentage difference of 1.29% in the poll of President Coolidge, 7.87% for Mr. Davis, and 5.57% for Senator LaFollette. It is added that a smaller straw vote taken in 1920 averaged a 10 per cent margin of error. The final outcome was correctly predicted in forty-six states.

GREB AGREES TO BOX JEFF SMITH

Harry Greb, middleweight champion, has agreed to meet Jeff Smith of Bayonne, N. J., at Motor Square on the night of December 1, according to an announcement from the club officials, and all that is necessary to close the match is definite word from Jeff Smith.

Just why the Garfield battler experienced a sudden change of mind is hard to explain, unless down in his heart he feels that he can administer a sound licking to Mr. Smith for he has declared all along that Smith was a dirty fighter, employed such unethical ring tactics as butting with head and elbows and that he would never meet him again.

The last time Greb and Smith clashed in Pittsburgh Harry won the verdict by the unanimous vote of the boxing experts although the fight was a tough one and Smith gave a good account of himself.

This match if closed should pack in the cash customers, for if the truth be told, half of the fight fans in Pittsburgh and the Pittsburgh district go to see Greb take a lacing, while the other half pulls for him to win.

Magic City Five Is Scheduling Basketball Contests

CHARLEROI EXPECTS TO PILE UP A BIG SCORE

Monongahela High school players will be drilled strenuously this week in an effort to get them in fit shape for the Charleroi clash next Friday at the athletic field. Coach A. Wierman is far from being optimistic over the outcome of the game but is pushing the team to the very limit.

Before the Donora game the local eleven was considered by followers the strongest outfit that has represented Monongahela in several seasons. Donora, however, proved more powerful and the Red and White was highly successful in holding the Donorans to the smallest margin of victory. The game was not so much of a thriller as was expected and truthfully, the locals were disappointed. There is every possibility that Charleroi will be stronger than expected and Coach Stepanian is doing everything to get his team in the best possible mental and physical condition.

Charleroi's chances of winning the W. P. I. A. L. or even the valley championship still rests on the outcome of the Monongahela and the Donora struggles. Charleroi as well as Union High at Turtle Creek, and Washington High school, has its eyes on the coveted Syracuse alumni trophy and the Magic City athletes will put forth their best effort and do everything to pile up a big score for this will convey an impression on the minds of the Donora players, with whom they clash Thanksgiving morning.

Hard work has been started immediately and under Coach Wierman's able direction the boys will be put through the most strenuous practice of the season—The Monongahela Republican.

JOE SILVANI IS FLATTERED BY FERERARA

Miguel Fererrar of the Argentini was given official credit for knocking out Joe Silvani of Harlem in the main event of a heavyweight tournament staged at Madison Square Garden last night. The fight, which came to a tumultous close after two minutes and 21 seconds in the fourth round came close to precipitating a young riot among the 6,000 or 7,000 fans gathered in the old fight palace. The official decision was that Silvani had been knocked out but the crowd refused to believe it and stormed down to the ringside crying, "Foul, foul, foul." Few wilder scenes have been witnessed in the garden than that one enacted there last night as Silvani was carried to his corner. There was an attempt made by some of the more stirred fans to charge Fererar's corner and it took a special detachment of cops to hold back the assault.

The fight was a hurricane affair almost from the start. Silvani claimed that he had been fouled in the third round the blow lowering him to the canvas for the count of nine just before the bell rang. For those nine seconds the Harlem boxer writhed in pain, but managed to get up and hold off the South American with a left jab until the bell came to his rescue.

DICK CONLON IN THE MAIN BOUT AT TUBE CITY

Four attractive boxing bouts are down for decision this evening at the weekly show of the Majestic Club at the Palisades rink, McKeesport, and a large crowd of spectators is looked for.

The main event of 10 rounds brings together Dick Conlin of Altoona and Frankie Stellmack of Cleveland, who have trained hard and are in prime condition. This is Stellmack's first appearance in a Tube City ring, and he is eager to start off there with a victory.

He figures that if he can decisively whip Conlin he will be in line for other attractive engagements at the Majestic Club, and plans to make the most of the opportunity presented to him.

Conlin is just as eager to avoid a setback and is confident that he will be able to more than hold his own with the Clevelander. Both lads will weigh in this afternoon, and it is expected that neither will have any difficulty in making the stipulated weight.

[illegible] Joe Moore of California, Pa., will tangle in the six-round semi-final, which should bring some fireworks. These boys are real sluggers, with a double incentive to do their best, inasmuch as they lost on their last appearance in the Tube City.

In the second bout Joe Elrene, formerly of Conneaut Lake, but of late campaigning at Louisville under the fanagement of Charley Jones will meet Cyclone Villa of Jamestown, N. Y. Young Chester of Monessen and Pete Zelser of Uniontown, 144-pounders, will open the show at 8 oclock.

The Magic City Five of Charleroi would like to open the basketball season abroad Thanksgiving evening November 27, with some first-class team in the 11-12 year old class.

The team is composed of the following players: L. Schultz, J. Ablondi, L. Gillie, J. Didik, H. Deitz, H. Hill, J. Schultz as their coach and expect to have a great season. For games and particulars call or write Donora 248, between 1 and 6 p. m., and 179-M Charleroi after six. Monessen, Donora, California, Bentleyville, Belle Vernon teams are asked to take notice.

UHLER ASKS FOR LAWS TO FURTHER PROTECT LIFE

The adoption of legislation placing all supervising inspectors under the classified civil service, the passage of an amendment to existing law requiring life-saving equipment for motor boats of over 15 gross tons, and other measures for the protection of life and property, are advocated by George Uhler, Supervising Inspector General of the Steamboat Inspection Service in his annual report to Secretary of Commerce Hoover, madt public today.

Covering the problems of inspection of vessels, licensing of officers, certificating of able seamen and lifeboat men, and the conduct of investigations and trials, General Uhler considers the fiscal year under review most successful.

Officers of all grades licensed during the year numbered 22,465 as compared with 25,052 for the previous year, according to the report. Certificates of service were issued to 13,034 able seamen as against 10,456 for 1923. Certificates of efficiency issued to lifeboat men totalled 8,673, as compared with the much larger number of 14,913 for 1923.

The total number of lives lost from all causes, passengers and crew, was 297, an increase of 50 over the previous year. Of the lives lost 180 were from suicide, accidental drowning, and other causes beyond the power of the service to prevent, leaving a loss of 117 fairly chargeable to accidents, collisions, founderings, etc. On the other hand, the number of lives directly saved by means of the life-saving appliances required by law was 620. Accidents resulting in loss of life during the year totalled 201, an increase of 4 over the previous year.

During the fiscal year passed, 344,658,611 passengers were carried on steam vessels that are required by law to report the number of passengers carried. Dividing this number by 54, the total number of passengers lost, shows that 6,382,566 passengers were carried for each passenger lost.

The better element of McKees Rocks is aroused over the inactivity of the borough police, according to Rev. Albert K. Travis, pastor of the First Methodist Episcopal church of that borough.

Rev. Travis announced last night that a community meeting would be held in his church next Sunday at 8 o'clock "for the purpose of enlisting all the good citizens into a campaign for civic welfare and betterment."

The meeting will be open to all, and entirely non-sectarian. He will speak on "The Human Straddle Bug."

In Society's Realm

The Standard Bearers will hold a covered dish social Friday evening at 6 o'clock in the Sunday school room of the Methodist Episcopal church. A good attendance is urged.

The Perserverance class of the Washington Avenue Presbyterian Sunday school, will hold its regular fonthly meeting at th home of Mrs. Martho Horvath of Railroad street, North Charleroi this evening. A good attendance is anticipated.

Mrs. William H. Calvert of Fallowfield avenue entertained a number of friends at her home Tuesday evening with a 500 party. There were two tables in play, the favors being awarded to Mrs. Elizabeth McVey and Mrs. J. F. Wall. At the close of the games a dainty luncheon was served.

The Crozier club of St. Marys Episcopal church will hold a regular meeting in the Church School basement next Tuesday, November 25. A special effort is being made to have a full attendance out to this session, as nomination and election of officers will take place. Plans of importance for the year are to be discussed and new members taken in.

The young members of the I. C. B. A. entertained their mothers in the Lyceum of St. Jerome's Catholic church last evening. There were thirty-seven present and the time was enjoyably spent in playing a varied number of games. Square dancing was also a feature. Mrs. Rigan and Mrs. Reardon were awarded favors. Luncheon was served at the close by the hostesses.

This evening at the home of Mrs. Harry Lowstuter of North Charleroi the Ladies Aid Society of the Washington Avenue Presbyterian church will hold a donation and shower of articles to be sold at their annual Christmas Bazaar to be given the 10th, 11th and 12th of December. The affair will be a general ingathering of all things that are ready for the bazaar. A social hour will follow the business meeting.

Misses Sarah and Winifred Morris of Fayette street, North Belle Vernon, were hostesses last evening at the regular meeting of the Young Peoples' Episcopal Auxiliary of Holy Trinity church, Monessen, held at their home. There were thrity-three members and one visitor present. After the closing of the business session which was conducted by the president, Miss Sarah Morris, a good time was spent in playing games dancing and music. Luncheon was served at a late hour, at which time all read a toast in rhyme from their place card to Rev. Albert N. Roberts, who is sailing on the Sixth of next month for Brazil. Departure was made at a late hour, all wishing Rev. Roberts a happy and successful five years at his mission in South America

Mr. and Mrs. Guy Woodward of Lincoln avenue officiated as best man and matron of honor at the latter's sister's wedding yesterday afternoon at 2 o'clock which took place in the Stone house, the Titlow summer mountain home, located near Uniontown. Miss Margaret Titlow, daughter of Mr. and Mrs. George S. Titlow of Uniontown and Merill Robinson of Elizabeth, New Jersey, were united in marriage by Rev. Father B. P. Kenna, pastor of St. John's Catholic church of Uniontown. The living room, the scene of the wedding, was beautifuly decorated, yellow being the prevailing color. There were approximately 40 relatives and friends present at the ceremony. The bride who is very wellknown in Charleroi, having been a frequent visitor here, was very pretty in an ecru lace gown, and she wore a head band of gold. Her flowers were a shower bouquet of yellow roses, lillies of the valley and marguerites. Mrs. Woodward was very attractively gowned in brown velvet. Her head was wrapped with a gold band, and she carried a bouquet of yellow roses and lillies of the valley. Following the ceremony a wedding dinner was served, the color scheme being carried out in yellow, after which the bride and groom left for their newly furnished home in Melburn, New Jersey. The bride, one of Uniontown's most popular young ladies, is a graduate of St. Mary of the Woods, Indiana, and Seton Hill college, Greensburg, while groom is a prominent busines fan of the east, being affiliated with Sun Oil company of New York. Mrs. A. S. Sickman of North Charleroi, Father Healey of Uniontown and Father Kelly of Texas, were among the out-of-town guests present.

Clarence Darrow's assertion that none of the 19 condemned murderers now in Sing Sing would be there if he had had a competent lawyer is a rather startling reminder not only that our preeminence in crime is due to lack of adequate punishment but that the lack of adequate punishment is largely due to the Clarence Darrows.

CURSE OF THE HOPE DIAMOND ON MAY YOHE

Boston, Mass., Nov. 20—The curse of the famous Hope diamond is again upon May Yohe, actress and one time possessor of the diamond, now the wife of Captain John A. Smuts, who is in a serious condition at a hospital here, suffering from a gunshot wound in the chest.

Mrs. Smuts called a physician and police last night when, after hearing a shot, found her husband lying on the floor of an adjoining roof of their apartment, bleeding from a bullet wound.

Police found a note signed by Smuts which read: " I intend to shoot myself because I have been unkind to my wife."

At the hospital, however, Smuts, a cousin to Gen. Jan Smuts of South Africa said he had accidentally shot himself while cleaning a revolver.

Smuts is the actress' third husband. It was while she was Lady Hope, as the wife of Lord Francis Hope, she was in possession of the Hope diamond which is supposed to bring ill luck to all who wear it.

It was this sinister influence which made her run away from Lord Hope and marry Major Putnam Strong, she claims. Misfortune still followed her, however, and she divorced him and was driven to singing in cabarets on the Barbary coast in San Francisco.

Later she married Captain Smuts and blames the Hope diamond for this latest tragedy in her life.

BLONDES

Keep your hair from darkening! This new Swedish discovery brings back a rich, golden beauty even to the most faded and lusterless blond hair.

Ordinary shampoos make blond hair darker by removing much of the necessary oils. Very often blond-haired people think that their hair is changing color when it is only the shampoo that is at fault.

No matter how faded or dull your hair may be, even if it has become much darker, the remarkable new Swedish LITEHAIR Shampoo—BLONDEX—will restore it quickly to its original golden beauty. Just one shampoo will amaze you. The hair becomes several shades lighter, fluffier, more beautiful with each shampoo!

Why use ordinary shampoos for your hair? Blondes should use only this special light-hair shampoo and see how much prettier the hair becomes. It is absolutely harmless, contains no injurious chemicals and is not a dye. Highly recommended for children. Costs only a little for a large sized package that will last a long time. Your dealer will promptly refund the purchase price if you are not delighted with results. BLONDEX is for sale by all good drug and department stores, such as

Piper's Pharmacy, Frank J. John, Carroll's Drug Store, and Hennings' Drug Store.
